D.O. letter no. C1-451/46-47 dated 7th Dec. 1946 from the Dir of Food Supplies forwarding a representation from mr P.N. Krishnaswamy, Asst Supply Rev. mr. P.N. Krishnaswami is a permanent officer of the Land Records Dept temporarily lent to the Food Supplies Dept. He is drawing a pay of Rs 500/- in the personal grade of Rs 450-25/2-500 from 6-2-41 plus a Con. D.A. of Rs 75/- p.m. The facts of his case are given in paras 4 to 9 in C.B. file no. 42-34-1 to 3, in paras 1 to 4 in C.B. file no. 111-44-1 and in paras 4 to 7 in C.B. file no. 348-44-1 to 2.

It is difficult to add to the high praise with which Mr K. Guru Dutt, the present Director, speaks of this officer's worth, work and character, except to say that I entirely endorse that opinion. The concession asked for by him seems to me very small and may be given without any hesitation as the officer has only 10 months to go and has not prospered as well as others recruited with him have or as well as his worth and work deserve.

Mr. Krishnaswamy narrowly missed a rank in the Civil Service. He was started as a probationer in the Survey Department on Rs 100/- in 1917. He was promoted after 7 years of probation as Asst. Supt on 250-25-450 in 1924. He reached 450 Rs in 1932. An increase of Rs 50 in two biennial increments of $\frac{25}{2}$ was sanctioned to him in 1939 and he reached Rs 500/- Six years ago.

His present prayer is that the Duty Allowance of Rs 75/- he has been drawing in the Food Department may be counted either as part of the pay or as a Special case allowed to count for Average emoluments for pension as a Special case, from 13-11-1943. In a few months he has to retire.

His work has been uniformly spoken well of and the Concession will add Rs 37-8-0 to his pension.

This is a deserving case and the concession asked for may be granted as a Special case.

Mr. P.N. Krishnaswami is a permanent officer of the Department of Land Records, Survey and Settlement. He is now working as Assistant to the Director of Food Supplies and is drawing a pay of Rs 500/- per mensem from 6th January 1941 in the personal grade of Rs 450-25/2-500 plus a consolidated Duty Allowance of Rs 75/- per mensem.

In consideration of the facts that Mr. P.N. Krishnaswami was started as a Revenue Survey Probationer so long ago as 1917, that he has high academical qualifications and put in a meritorious service of over 30 years, that he has been stagnating on a pay of Rs 500/- from 1941 and that he is due to retire in the normal course in December 1947 when he superannuates, the Director of Food Supplies recommends that the consolidated Duty Allowance of Rs 75 per mensem which Mr. Krishnaswami has been drawing from 13th November 1943, may be consolidated with his pay from the date he has been getting it or that it may at least be counted for calculating his pension.

The Minister for Revenue and Communications has minuted on the proposal as follows:-

> " It is true that Mr. P.N. Krishnaswami who was recruited as Survey Probationer in 1917 (30 years ago) has not prospered as well as some Probationers of other Departments recruited at the same time. The Probationers taken for the Survey Department subsequently are likely to fare better, as they are being drafted on to the Revenue Department after some years of service in the Survey Department. "

The question of treating the Duty Allowance now drawn by Mr. Krishnaswami as Personal Allowance was considered at a meeting of Council held on the 13th August 1947 when the following resolution was recorded:-

In enclosing herewith for favour of sympathetic consideration of Government a representation of Mr. P.N. Krishnaswamy, M.A., LL.B., Assistant Superintendent, Revenue Survey Department doing duty as Assistant Director of Food Supplies requesting that the consolidated Duty Allowance of Rs.75/- per mensem which he has been drawing since 13th November 1943 may be consolidated with his substantive pay as from 13th November 1943 or that it may at least be counted for calculating his pension, at the time of retirement, I write to state that Mr. P.N. Krishnaswamy has been without any promotion since 1941. Considering the high academical qualifications and the meritorious service of 30 years rendered by him I feel that his is a very hard case and that the concession now prayed for by him is quite modest and that he richly deserves it. I have seen Mr. Krishnaswamy's work in this Department as well as outside and can say that he is a most conscientious and painstaking officer and that I have the highest regard for his character as well as capacity.

I would therefore strongly recommend that his representation may be favourably considered by Government.

To

K. Guru Dutt, ESQ., B.A.,
Director of Food Supplies in Mysore, BANGALORE.

Sir,

I have the honour to request you to favour me with your valuable support and recommend my case to Government.

2. I was entertained as a Probationer on Rs.100/- in the Revenue Survey Department, in January 1917. After passing all the required tests and 7 years of approved service, I was promoted to the grade of Assistant Superintendent on 250-25-450 in 1924 but assigned to the non civil service cadre which was created that year.

3. I reached Rs.450/- the ~~minimum~~ maximum of the grade in 1932. A Special Personal grade of 450-25/2-500 was granted to me in 1939 and I reached the maximum and have been getting Rs500/- from 6-2-1941.

4. Several recommendations were made to revive the post of Deputy Superintendent and to promote me as I was the Seniormost Officer in the Department of Land Records. Proposals were also made to include me in the Civil Service Cadre. But I was not destined to get any such benefit. I f I had been granted this benefit, I might have been drawing Rs.1200/- or at least Rs.1000/- either as a Deputy Commissioner or as Superintendent of Land Records.

5. Since 1943 I have been drafted to the Food Department, and I have been drawing a consolidated Duty Allowance of Rs.75/- from 13-11-1943.

6. When the Commissioner of Land Records recommended my case, Govern ment stated in Chief Secretary's letter No.1699/C.B. 111-44-1, dated 1-10-'44 that my case " will receive consideration, when an opportunity occurs." But when a vacancy occurred in 1945 the place was

the place was again filled by a Deputy Commissioner, and I continued to stagnate.

7. During these 30 years of service, I have worked hard and to the satisfaction of my superior officers, as the numerous periodical reports and recommendations may bear out. As mine is a peculiarly hard case and I have not been destined to earn promotion to the higher place in the Department to which one could legitimately aspire, just as in the allied departments of Co-operation, Agriculture, Judiciary, Accounts, Geology, Police and several others, I pray that Government may be pleased to treat the allowance of Rs.75/-, I have been drawing continuously from 13-11-1943 as pay by allowing it to be consolidated with my substantive pay itself as from 13-11-'43. If however this prayer is not granted, this allowance may at least be ordered as a special case to be counted for calculating my pension at the time of retirement.

8. I have preferred this personal appeal to the generous consideration of Government on account of the specially hard circumstances of my peculiar case under which my qualifications, character, hard and approved work were of no avail and my legitimate aspirations could not be fulfilled because of a bifurcation of the cadre in the Survey Department, into Civil Service and Non Civil Service, and the circumstance that vacancies in the Department have been filled from among Deputy Commissioners only. The concession now sought will be of great help to me on my retirement.

I have the honour to be,
Sir,
Your most obedient servant,
